

'We commit ourselves to love, respect and serve one another as disciples of Jesus Christ'

Our Ref: RH/JD/WelcomeYear6

June 2021

Dear Parent

May I take this opportunity to formally welcome your child and you to St Bede's Catholic Academy. Whether or not this is your first child to join, or you have other students with us you are very welcome to be part of a very special community.

At St Bede's I can promise that:

- Your child will receive the best opportunity to achieve the very best grades possible through high-quality teaching and where necessary, intervention support.
  - The best education rooted in our distinctive Catholic ethos. At St Bede's all students commit to love, respect and serve one another as disciplines of Jesus Christ. This Catholic ethos allows all school to encounter Christ and his teachings and put them into place both academically and socially.
  - The school is able to give your child support pastorally. Each child will have a named contact to report any concerns to.
  - When you have a concern, we will deal with it in a timely manner.
- I know that many of you will be anxious about your child moving from primary to Secondary school, especially during the current pandemic. However, the following support has been put into place:
- A specific Y6 transition website which can be assessed through the main school website: <https://stbedesscunthorpe.org.uk/>
  - A parents' information video, which contains a wealth of information for you and your child. This can be found on the school website.
  - You will receive a transition pack detailing forms which need to be filled in for each student in preparation for September.
  - The school is aiming to run Y7 transition events during July. Unfortunately, due to the COVID risk assessment these will have to be on five different dates.
  - The school is also planning to run a summer school over the 6-week holidays. The aim of this is to enable students to get to know the school environment much better.

School will start on Monday 6<sup>th</sup> September and we look forward to meeting your child and the start of their five-year journey with us.

If you have any questions please do not hesitate to contact the school, the telephone number is (01724) 245151.

Yours sincerely

Mr R Hibbard  
**Headteacher**
