GREAT RESOURCES FOR  
FABULOUS TEACHERS.

Dear colleague, 🙌

I'm glad you want to use my resources in class.

All of my resources have been designed carefully in terms of methodology and applicability. They have also been tested in class and are regularly updated.

I would highly appreciate your feedback if there's any mistake or if you have any questions about using my resources.

Best regards,

Cindy Kühne

## Just a little Thank You Note

Thank you for trusting me as a teacher and author!

I am so glad to share my teaching experience with you and will always make sure that my resources meet the highest standards concerning content, didactics, methodology and visual appeal.

All of my resources have been tested and evaluated in class. However, if you find any mistakes or have any questions about using my materials please don't hesitate to contact me.

I am looking forward to getting your feedback, questions and reviews on my resources. Don't miss out on my products to come.

Just follow my shops:
